

COLUMBIA VALLEY BRITISH COLUMBIA

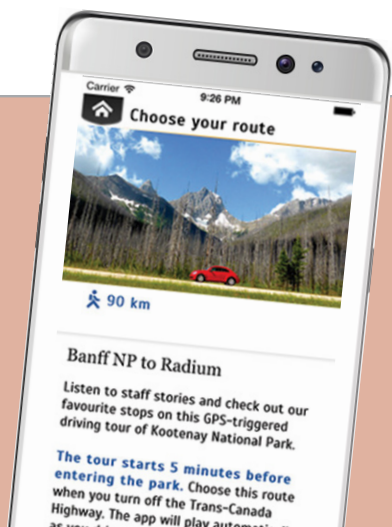

A FOUR SEASON RECREATION MECCA

Copper Point Resort is a hidden gem nestled in the Columbia Valley, situated in British Columbia's Kootenay Region. Located adjacent to the Town of Invermere, a community in eastern British Columbia, near the border of Alberta, the Resort is a scenic 3 hour drive from Calgary – Canada's fourth largest City, and proximate the northeast side of Lake Windermere where Cooper Road intersects Highway 93/95 (Kootenay Highway/Banff Windermere Parkway).

The Resort has spectacular views overlooking the neighbouring Copper Point Golf Courses and the Canadian Rockies, and is near to six other premier golf courses, endless trails for biking, hiking and snowmobiling, pristine lakes and rivers, as well as amenities such as Panorama Ski Hill, Radium Hot Springs, Fairmont Hot Springs and Lussier Hot Springs.

GO-TO GUIDE

DOWNLOAD the new **Explora Kootenay App** from iTunes or Google Play and enjoy a **guided audio tour** of one of BC's most scenic highways. Hear behind-the-scenes stories from Parks Canada staff and get insider tips on where to stop.

The suites are large in size ranging from 750 SF to 1,330 SF and feature superb upgraded conveniences including additional beds, a separate living space, sofa bed (for children), full kitchen, breakfast bar, dining room table, in-room washer/dryer, and a glass-encased, fully tiled shower with a rainfall showerhead, among many more amenities. A host of facilities and services are also offered at this full-service resort, providing a true destination experience for both leisure and corporate clientele.

The Resort was built with an inviting atmosphere in mind, which is exemplified by the open space design with plenty of natural light. The suites are furnished with luxurious finishes including hardwood and slate floors, natural leather sofas, granite countertops, stainless steel appliances, vessel sinks, designer linens and chic decor. King size beds in private rooms and multi-room suites are available as well. Standard guest rooms feature one queen bed and include a private balcony, microwave and mini-fridge.

Copper Point Resort was constructed to exceptional standards and is the premium property for meetings, conferences, weddings, business or personal travel.

The Resort offers a variety of guest room and suite configurations and has an excellent complement of modern amenities including 6,600 SF of conference and event facilities with almost 2,000 SF of outdoor space, a 6,800 SF full-service restaurant with large patio and poolside Copper Cabana, luxurious spa, large indoor and outdoor swimming pools and hot tubs, fitness centre, multi-purpose outdoor sports court, Adventure Centre, gift shop, and 102 surface parking stalls and 84 stalls in a heated underground parkade.

The 179-key Copper Point Resort occupies an enviable location nestled among the Canadian Rockies surrounded by spectacular mountain views, the neighboring Copperpoint Resort Golf Club courses, and a wide variety of other year-round recreational pursuits including incredible lakes and biking, hiking and snowmobiling trails. The Resort sits on a 6.2 acre site and is distinguished by a 5-storey structure, providing guests with easy access to the Resort's amenities, services and offers great views.
